

Design & Technology Trail

Key Stage 4

75-minute self-led session

Explore Coventry Transport Museum with the support of this trail, designed with our collection and the D&T curriculum in mind. Students can answer a range of questions to help them to explore the exhibitions, and take part in activities to develop their independence and confidence when using objects for research.

Curriculum Links

- Design and Technology – Product analysis
- Design and Technology – Health and safety
- Design and Technology – Designing for an audience
- Design and Technology – Materials and techniques

Learning outcomes

- To understand how parts of vehicles have been made
- To analyse existing products
- To engage with objects and the museum

Please note: You may wish to bring additional paper, for students to sketch and complete more analysis.

How to book:

Please contact our bookings team on 02476 237523 or email info@culturecoventry.com
