

Wheelie Wicked

Key Stage 1

Self-led activity

Our Wheelie Wicked trail guides pupils around the museum to learn more about road transport, and the way in which it moves! Pupils will have the opportunity to take part in simple activities, including spotting and drawing, to provide a challenge and focus in several of our exhibitions. Spot unusual materials, interesting sizes, and funky patterns!

Teacher Notes

- **We provide the activity sheets, clipboards, and pencils, so that's one less thing to plan into your day.**

Curriculum Links

- **History**
- **Maths**
- **Design and Technology**

Learning outcomes

- **Increase their knowledge of uses of everyday materials**
- **Develop an awareness of the past**
- **Count and write numbers**
