

Victorian Cycles

Key Stage 1 and 2

75 minute facilitated session

This workshop looks at the development of the cycle through the Victorian era. During the session pupils will examine and discuss four historical cycles, arranging them into chronological order and learning about how the different designs evolved. Observation skills are then developed through drawing and recording key information about these cycles.

Learning outcomes

Your pupils will:

- Increase their knowledge and understanding of the Victorian era
- Develop a chronologically secure knowledge and understanding of British, local and world history
- Develop their speaking and listening skills
- Increase their knowledge of significant historical events, people and places in their own locality
