

Blackout, Rationing and Evacuees

Key Stage 1 and 2 (years 2 - 6)

75 minute facilitated session

In this workshop, pupils will use STEM skills to investigate life during World War 2, and will learn more about the blackout, rationing, and evacuees from a Coventry perspective. This session includes the walk through Blitz Experience exhibition and uses vehicles on display, other primary and secondary sources and practical activities to deepen their understanding..

Teacher notes:

This session is an ideal part of a KS2 local history study exploring the Second World War. It can also be adapted for Year 2 pupils who have sufficient prior knowledge, supporting their studies of significant historical events in the local area or changes within living memory.

Curriculum links:

History

- English
- Design & Technology
- Geography

Learning outcomes:

Your pupils will

- Use discussion in order to learn
- Listen and respond appropriately to adults and their peers
- Develop an awareness of the past
